UI & Design	Responsive Design, Flexbox, CSS Grid, UI/UX Fundamentals, Figma (basics)
CMS & Tools	WordPress, Elementor, Git, GitHub, VS Code, npm
Concepts	Component-Based Architecture, REST APIs, Cross-browser Compatibility, Web Accessibility
AI / Other	Prompt Engineering, Python (basics), Problem Solving

WORK EXPERIENCE

Frontend Developer Intern | Gubloo Technology

July 2025 – October 2025 • Ghorī Town, Rawalpindi

- ▶ Built and maintained responsive web pages using HTML5, CSS3, and WordPress with Elementor page builder.
- ▶ Collaborated with the design team to translate mockups into pixel-perfect, mobile-friendly layouts.
- ▶ Improved page load performance by optimizing assets and applying best-practice CSS techniques.
- ▶ Gained practical experience with Git version control for code management and collaboration.
- ▶ Assisted in deploying and managing live client websites on shared hosting environments.

PROJECTS

Corporate Advisory Platform — React.js + Tailwind CSS + Framer Motion (<https://umais-proconsult.vercel.app/>)

- ▶ Developed a responsive multi-page web platform for an international consultancy firm using a mobile-first approach.
- ▶ Integrated advanced scroll-triggered animations and coordinated layout staggers using Framer Motion.
- ▶ Engineered seamless UX solutions, including custom React router transitions to automatically reset scroll position and anchor-based smooth scrolling.

Business Landing Page (Client Project) — WordPress + Elementor

- ▶ Delivered a fully functional business website during internship, from design to deployment.
- ▶ Optimized for SEO basics and ensured cross-device compatibility across desktop, tablet, and mobile.

EDUCATION

BS in Artificial Intelligence

Barani Institute of Information & Technology, Rawalpindi • 2023 – Present

- ▶ Relevant coursework: Data Structures, Programming Fundamentals, Database Systems, AI concepts.

Intermediate (Pre-Engineering)

Astron College, Rawalpindi • 2021 – 2023

WHAT I BRING TO THE TABLE

- ▶ Quick learner — picks up new frameworks and tools fast with minimal hand-holding.
- ▶ Eye for design — focused on clean, accessible, and visually polished interfaces.
- ▶ AI background — ability to integrate AI tools and APIs into modern web applications.
- ▶ Team player — clear communicator, open to feedback, and committed to delivering on time.
